

Father Alfie opening prayer

Present – Father Alfie, Bethany Todd, Renee Garcia, Principal Cooney, Brianna Whitley, Carol Collins, Cynthia Navarro, Mrs. McClaine, Rick Delval

Carol Collins approval of minutes, Cynthia Navarro 2nd

Organization Reports –

Faculty Report – Good start to the school year. Moving through getting the kids back to the routines, back into schedules and the day to day. Teachers meeting once a week on Thursdays to PLC to strengthen as a team and be more cohesive in all areas. Writing program and streamline that from K-8 to help the student grow more within their writing. STAR testing was going to start tomorrow, but that is on hold until we are back on campus and we can find another day that works. Mass is on Thursdays this year – we have had 2 masses. Choir is back. Resource teacher will be back 1 day a week this year. Ms. Riza, behavioral therapist, is back to help and support the students. We have new student who are adjusting to the new school. 8th graders will be starting their visits to local high schools. Progress reports are coming out in 2 weeks.

Student Council - 12 students in student council. They are excited and ready to go! 2 years ago they did snack sales and did great. Last year not so much. This year the president is getting everyone organized and starting snack sales. They have designed shirts. They are starting to get excited about planning their first dance. They are looking forward to helping with red ribbon week and other events. They are really stepping up this year and taking charge what the things they want to do.

PAC Report – We have our next event coming up on 9/20 – Family Movie Night. Probably showing Inside Out 2. The Carrols will be BBQing and we will be selling food/drinks, giving popcorn. We will have our first PAC meeting virtually. We are beginning to organize our room parents and starting to plan for Fall Festival.

Financial Committee Report – Sheri sent out the financial report to the financial committee. There has been some delays with switching the band account with getting

signatures to be about to close out last year. They will meet in the future and have a report for next meeting.

Principal's Report – Start of the school year, so far it's off and running. The students seem like they are getting involved. The culture of the school is still very good. Just getting the students back on full track of being back in school. STAR testing will be coming to get some data to see where they need to be directing the teaching.

Fundraisers – reaching out to the SAC for different ideas that we may have for fundraisers or if we have knowledge of people who can help. Thinking of sending out a survey to see what special skills to help. We are getting a few more families coming in and that is helping, but we need to keep moving in a good direction financially.

PAC we talked about having family dining nights/breakfasts. Possibly do pancakes to sell after mass. Maybe do more vendor fairs. Possibly participate in the City of Perris parades to get our name out in the community.

Closing Prayer – Father Alfie.

Next Meeting – October 15th

Next Opening Prayer/Pledge – Cynthia Navarro
